Parent-and-child Workshop

Dear Parents/Guardians,

Please save the date and time! You are invited to attend this workshop with your child/ward! **Students are welcome to register even your parents/guardians are not available.**

Experience the joy and wonder of creating a mini-basketball game through the experience of a coding class with our Applied Learning Programme (ALP) Industrial Partner – Cognizant Technology Solutions in partnership with the Info-communications Media Development Authority (IMDA).

Date: 21 July 2018 (Saturday)

Time: 9.00 am to 12.30 pm

Venue: Yio Chu Kang Secondary School, Computer Lab One

Limited seats are available. Register your interest at <https://tinyurl.com/ALP-Microbits-Workshop> or scan the QR code. Registration closes on 14 July 2018!

See you then.
