Synopses of Workshops

**Workshop 1**

**Topic** : Transition To Secondary One – Needs and Challenges (English & Mandarin)
**Date/Time** : Saturday 24 January 2015 / 9.30 am to 12.30 pm

**Synopsis**
As parents of a child in Sec 1, you face the challenge of two transitions: your child’s and yours. Your child is changing physically - more concerned about his/her looks, more sensitive and desires independence, more argumentative as well as having mood swings. They prefer socialising with their peers more than with you. They seem to know-it-all, yet are so insecure at the same time. This parenting talk will help you to better support and encourage your children as they transit into secondary school life.
