

05 August 2020

Dear Parents and Guardians

## Resumption of Co-Curriculum Activities (CCA)

MOE has announced the gradual resumption of lower-risk Co-Curricular and school-based activities in secondary schools. CCA experiences and school activities are important elements of our students' holistic development. They provide our students more opportunities and platforms to explore their passion, build friendships and develop character and resilience.

The school will resume CCA for Secondary 1 to 3 students with strict adherence to Safe Management Measures (SMMs) with effect from **11 August 2020**. CCAs and school activities will take place with the following SMMs in place:

- 1) Maximum of 20 students per activity. The composition of participants will be fixed to minimise inter-mingling. For example, Sports CCAs may resume, with a maximum of 20 participants per venue.
  - Within the activity, groups of five or fewer students can interact more closely. For example, a group of five students in a computer club working on a software programme, four students playing doubles for badminton, or a two vs two basketball game;
  - Modified game rules will apply, such that students will be at least 1m apart, even for physical activities (2m apart); and
  - The school will continue to screen all including coaches and instructors, for flu-like symptoms such as fever and cough, and ensure that they comply with all SMMs.
  
- 2) CCAs and school activities that involve the following will remain suspended:
  - High level of body contact, like Taekwondo sparring or Rugby scrum;
  - High exposure to aerosol and splatters, like playing of wind instruments or choir;
  - Inter-mingling of students between schools; and
  - Activities held at external venues.

If you have any further queries, please do not hesitate to contact Ms Irene Heng, HOD PE & CCA at [heng\\_siew\\_hoon@moe.edu.sg](mailto:heng_siew_hoon@moe.edu.sg) or 64560669 ext. 116.

Thank you and keep safe!

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Carol'.

Mrs Carol  
Principal
