Dear Parent / Guardian,

LUNAR NEW YEAR SCHOOL CELEBRATION

Yio Chu Kang Secondary School will hold its Chinese New Year Celebration on **Monday, 31st January 2022**. Students are allowed to wear their level t-shirts with school skirt/pants, and are expected to bring along their PLD for the morning reading period.

Do note that school will operate on half day. The students will be dismissed at **10.30 am**.

This year, the students will be engaged in classroom activities from 8 am to 9.30 am, together with their Form Teachers. The virtual Lunar New Year Concert will begin thereafter. Many of our students have come forward to share their talents and are preparing entertaining performances to heighten the festive mood. In fact, leading up to the celebration, your child/ ward could have volunteered to help the class to create a video for the 2022 LNY Festive Video Competition. We look forward to enjoying the creativity and many surprising performances on that day.

For clarifications or further information, you may email Ms Goy Yap Ching, HOD Mother Tongue Languages, at goy_yap_ching@schools.gov.sg.

I would like to take this early opportunity to wish you and your family a Happy Lunar New Year!

Yours sincerely,

Mrs Carol Lim
Principal
