

DIRECT SCHOOL ADMISSION (DSA) EXERCISE 2022 FOR PERFORMING ARTS

The Performing Arts CCAs include a range of disciplines which are performed in front of a live audience, including theatre, music, and dance. Each discipline (music, dance and drama) engages students' brain, body and emotions in different ways to encourage their confidence and find joy in self-expression.

They provide opportunities for students to develop a lifelong passion for the arts. Participation in Performing Arts CCAs nurture students' creative expression, enrich social, cultural and historical awareness and build character.

Each of our CCAs is distinctive as it comprises its own set of knowledge and skills. The four main Learning Outcomes of these CCAs are achieved through Appreciating, Creating, Presenting and Responding. The Performing Arts CCAs encourage our students to expand their imagination and help them develop their own unique voice.
