## Transit Link eVoucher System

### Step-By-Step Redemption Process (for eVoucher)

Dear Parent/Guardian,

Your child/ward is a recipient of the Ministry of Education Financial Assistance Scheme (MOE FAS) and you have indicated that he/she will require the transport subsidy from MOE. The top-up will be credited in equal instalments over the year in the form of a monthly top-up (i.e. Transit Link eVoucher) to his/her Transit Link card, i.e. \$10/month. For all MOE FAS applications received and approved before end January, as the subsidy for January has not been credited, he/she will receive \$20 for the month of February. For applications received after January, the transport subsidy for the year will be pro-rated accordingly. To redeem the credit given, please take some time to understand the step-by-step redemption process provided below.

For a full list of the ticket offices or the link for the Transit Link's website, please refer to our school website at <http://www.yiochukangsec.moe.edu.sg/students-and-parents/financial-assistance> where a copy of this information has been put up.
